VAR-32640/VAR-33015/SUP-32639/SDR-32638 -
August 19, 2009 City Council Meeting, Items #73-76

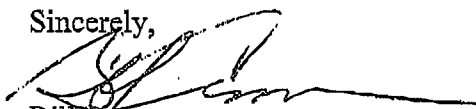

Dear Ms. Bridges:

Please accept this as my client's request to hold the above referenced matter in abeyance and to reschedule it for hearing before the City Council on September 16, 2009.

Since the previously scheduled hearing, my client has submitted revised plans to the Planning Department. After review, the Planning Department suggested additional changes and recommended meeting with the Fire Department for additional input. My client has now had this meeting and wishes to submit another revision to his plans. The client agrees to submit the revised plans to the Planning Department on or before September 2, 2009, to allow adequate time for review.

We very much appreciate your assistance in this matter.

Sincerely,

Bill Curran
